**GAUGE:**

**DESIGNER NOTES:**

With Cat Bordhi's Moebius Cast On, the number of stitches cast on is actually only half of the stitches over which the cowl is worked.

Find her video here: <https://www.youtube.com/watch?v=LVnTda7F2V4>

In Moebius knitting, two rings are worked to equal one round, so a round is not complete until the work returns to the marker, meaning two rings have been worked.

Work will "grow" from the center outward, so as work progresses, there will be more and more rows between the needles/cables, and they will get further and further apart.

*To save time, check your gauge and read all instructions thoroughly before beginning.*

**INSTRUCTIONS:**

Using Moebius Cast On, CO 150 sts in MC (*there will be 300 sts total*).

**Round 1:** with main color (MC), knit.

**Round 2:** with MC, purl.

**Round 3:** with contrast color (CC), knit.

**Round 4:** with CC, purl.

Repeat these 4 rounds until piece measures 11" tall.

I-Cord Bind-Off

At beginning of bind-off row, use a cable cast-on to add 3 new stitches.

\*Knit 2, slip 2 stitches knitwise 1 at a time, knit these 2 together through the back loop.

Slip the 3 stitches on the right needle back to the left needle purl wise and rep from \* until all stitches are bound off.

Knit 3 together, break yarn and fasten off.
