Side Panels:

Right Panel:

With the RS of the Front facing, and beg at the right armhole, use Color A to pick up 1 stitch in each edge st (use both legs of the edge st) all the way down to the bottom hem = 45 (51, 57) sts. Knit even in Garter St as follows:

Knit (2 rows in Color A, then 2 rows in Color C) 4 (5, 6)x, still using Color C, knit 1 more row then bind off all sts.

Closing Right Side:

Close the open right side by sewing the bind off sts of the Side Panel to the edge sts of the right side of the Back.

Left Panel:

With the RS of the Back facing, and beg at the left armhole, use Color C to pick up 45 (51, 57) sts (1 in each edge st), ending 28 rows (14 garter ridges) from the bottom hem. Knit even in Garter St as follows: Knit (2 rows in Color C, then 2 rows in Color A) 4 (5, 6)x, still using Color A, knit 1 more row then bind off all sts. <u>Closing Left Side</u>:

Close the open left side by sewing the bind off sts of the Side Panel to the edge sts of the left side of the Front.

Collar:

Note: The Collar is knit flat, rather than in the round, to allow a seam at the back of the neck. It is VERY IMPORTANT to work all edge sts on all rows, as this gives a good foundation for the tight, stiff seam that will help the Collar stand up and not fall over. Edge sts will NOT be mentioned again.

Transfer the 37 (41, 45) sts on hold for the back neck and the 33 (37, 41) sts on hold for the Front neck to the circular needle, arranging the sts so that the tips of the needle meet in the center of the Back and the sts are distributed

as follows:

- 19 (21, 23) sts from right needle tip to right shoulder seam.
- 33 (37, 41) sts at the the middle of the needle.

- 18 (20, 22) sts from left needle tip to left shoulder seam.

Beg at the center Back and with RS of Back facing, use Color A to begin Row 1.

Row 1: K18 (20, 22) sts (to left Back shoulder seam), work across all 33 (37, 41) sts of the Front, then k2tog, k18 (20, 22) sts = 69 (77, 85) sts.

Row 2: Knit.

Row 3: K18 (20, 22) sts, kfb in each of the next 33 (37, 41) sts, k18 (20, 22) sts = 102 (114, 126) sts.

Knit 17 rows even in Garter St, *and on the last row*, place a removable st marker 20 (24, 28) sts from each edge.

Collar Shaping:

Row 21: Knit to 2nd marker, *RM, turn work, SP, k4, PM, knit to next marker; rep from * until only 2 sts rem between markers, then cont knitting all the way to the end of the row, working SP sts as one and removing markers as they are encountered.
Row 22: Knit across to the other edge, working SP sts as one and removing markers as they are encountered.
Bind off all sts very loosely.

Closeup of seam at back of neck.

Collar Seam:

Note: While sewing the seam, pull the sts firmly to help stiffen the seam, so the Collar will stand up more easily.

With the RS of the Back facing, sew the Collar seam using a Mattress Stitch so that the seam will show on the outside of the Collar when worn.

Armhole Trim:

Important: To create the decorative stitching on the RS of the garment, be sure to pick up the sts for the armhole trim using the edge sts with the WS of the work facing. The armholes are knit flat, just as the Collar was and for the same reasons.

Right Armhole:

Starting at the shoulder seam, pick up 27 (30, 34) sts down the Back, 9 (11, 13) sts across the Side Panel, and 27 (30, 34) sts up the Front, then turn work = 63 (71, 81) sts.

Row 1: Knit all sts, working-down the Front and up the Back. **Row 2:** K18 (21, 25), k2tog, k4, k2tog, k11 (13, 15), k2tog, k4, k2tog, k18 (21, 25) = 59 (67, 77) sts.**Row 3:** Knit even, down the Front and up the Back.

Row 4: K18 (21, 25), k2tog, k4, k2tog, k33 (38, 44) = 57 (65, 75) sts. **Row 5 & 6:** Knit even.

Loosely bind off all sts.

Left Armhole:

Starting at the shoulder seam, pick up 27 (30, 34) sts down the Front, 9 (11, 13) sts across the Side Panel, and 27 (30, 34) sts up the Back, then turn work = 63 (71, 81) sts.

Row 1: Knit, working down the Back and up the Front. **Row 2:** K18 (21, 25), k2tog, k4, k2tog, k11 (13, 15), k2tog, k4, k2tog, k18 (21, 25) = 59 (67, 77) sts.

Row 3: Knit even, down the Back and up the Front.

Row 4: K33 (38, 44) sts, k2tog, k4, k2tog, k18 (21, 25) sts.

Rows 5 & 6: Knit even.

Loosely bind off all sts.

Shoulder Seams:

As was done for the Collar, sew the shoulder seams closed working from the RS of the work, so that the seam creates a decorative element the outside.

Finishing:

Wet the garment in tepid water, but do not soak. Remove the excess water by squeezing the garment, not wringing it, then roll it tightly in a dry towel to remove as much water as possible. Lay flat to dry, blocking to measurements, if desired.

TECHNIQUES:

German Short Rows using a Slip & Pull (SP) Stitch:

You should have turned your work in the middle of a row, and the yarn should be positioned at the front of the work. Slip the next st on the left hand needle to the right hand needle. Pull the yarn over the right needle to the back of the work, pulling the st below up until both legs are clearly seen on the needle. The working yarn is now at the back, and you are ready to knit the next st. When working back across the SP st, it will present itself as two sts. Knit these two 'sts' together as one.
