

# Wayside Lace Cardigan

courtesy of Schoppel-Wolle Design Team

Knit an enveloping shawl-like cardigan with generous fronts that can be worn cascading open, or wrapped and pinned into a cozy wrap. This sweater is the perfect showcase for *Schoppel-Wolle Cashmere Queen*, a lightly felted DK-weight single that is a blend of soft wool, lustrous silk and feather-light cashmere. The crisp stitch definition is ideal for the simple cables and delicate lace panels.

The Wayside Cardigan is an all-around delight!
