INSTRUCTIONS

Both Sizes

Using waste yarn and a Provisional Cast On, CO 96 sts.

Row 1: Using MC, knit all sts.

Place your unique marker and prepare to join in the round, being careful not to twist.

Rounds 2-26: knit all sts.

Round 27: purl all sts.

Rounds 28-53: knit all sts.

Remove the Provisional Cast On and place the live stitches onto the second circular needle. The work will fold along the purl round and the two needles will be parallel to each other.

To seam the hem, knit one stitch from the front working needle together with one stitch from the back needle from the provisional cast on. Continue in this manner until all of the stitches from the back needle have been worked off. This acts as **Round 54**.

Crown Decrease (All Sizes)

Note: Change to DPNs when necessary.

Round 1: *k1, ssk, k18, k2tog, k1, pm, rep from * to end of round. (8 sts dec, 88 sts)

Note: Do not place a marker on the final repeat as the beginning of round marker will be used instead. Use markers that differ in appearance from your beginning of round marker to avoid confusion.

Round 2: knit all sts.

Round 3: *k1, ssk, knit to 3 sts before the marker, k2tog, k1, sm, rep from * to end of round. (8 sts dec, 80 sts)

Round 4 and All Even Rounds: knit all sts.

Repeat **Rounds 3 and 4** until 16 sts remain (4 sts between each marker).

Break yarn, leaving an 8" tail and thread tail through tapestry needle. Run the needle through the remaining stitches on the needle and remove. Cinch tightly to close the hole and weave in end on inside of hat.

FINISHING

Weave in all remaining ends and block, if desired.
